Monday Classes — 5 Weeks: April 24, May 1, 8, 15, 22

Possible make-up: June 5

HipHop Workshop with Otto

4:00-5:00 **Grades: 4th – 8th** **$80 per student**

Hey Art Space, it's time to return to the Hip Hop Workshop with Otto! Otto is a professional Hip Hop Entertainer with over 20 years of professional experience and invites all previous attendees of his workshops to come and experience another go-round with the positive elements of Hip Hop dance & culture! This quarter we will dive into a new dance routine choreographed to a mix of all the latest Hip Hop hits. We will also work on art or Graffiti skills and produce tee shirts the students will wear in a performance on the final day of the program. (A blank/white tee-shirt must be furnished by the parent or guardian). Sign up today. Space is limited!

Painting

4:00-5:00 **Grades: 1st - 8th** **$65 per student**

Come join Mr. Clay and enjoy expressing yourself creatively through the art of painting. Each week students will create a work of art that can be taken home and shared with friends and family. Students will learn about a variety of materials and techniques, artists and theories to gain a better understanding of the artistic process. All materials as well as a light snack will be provided.

Code Miners

4:00-5:30 **Grades: 3rd – 8th** **$90 per student / $85 if Returning Miner (w/ Q3 flash drive)**

The Code Miners' class is an introduction to the tools and basic skills needed for coding and graphic design through exploration of Free and Open Source Software (FOSS). This goal is achieved primarily through student-driven projects aimed at developing mods for the FOSS game, Minetest.

Code Miners continued… Along the way students will be introduced to many resources for further exploration beyond the class. A flash drive pre-loaded with Minetest and other FOSS software will be available to keep after the class is over.

Tuesday Classes 6 Weeks: April 18, 25, May 2, 9, 16, 23

Possible make-up: May 30

Creative Sewing

4:00-5:00 Grades: k – 8th $65 per student

This fun and creative sewing class will be taught by Aftercare's Ms. Amanda. Students will learn basic sewing skills, which they will use to create keep sake pouches, wallets and purses, and spice pillows. All materials will be provided, including a yummy snack at the end of each class.

3D Mask Building

4:00-5:00 Grades: 4th– 8th $65 per student

Brad Migyanka, a lifelong carpenter, artist and ArtSpace parent, is excited to offer this new, creative class in which students will make their own unique 3D wearable mask construction. This class will be a great introduction to 3D cardboard construction for future projects and play props. Students will be challenged to use their imaginations to think beyond 2D and use layers to build up their project. The class includes basic tools the students can keep, such as hot glue gun, brushes and cutting utensils. In addition paint, cellulose clay, and some card board will be provided. After the first class students will have their creative juices flowing and will be encouraged to bring found items from home to add for details.

Wednesday 5 Weeks: April 19,26, May 3,10, and 24

Possible make-up: May 31

Hip Hop Dance Crew

4:00-5:00 Grades: K – 4th $65 per student

Ms. Suzie is back to teach Hip Hop dance again! Do you love to dance, have lots of energy and enjoy upbeat music? Calling all fun loving kids to join the Hip Hop Dance Crew! We will be learning cool hip hop dance steps while building muscle strength, increasing coordination, encouraging musicality and learning spatial awareness…all while having fun and dancing to age appropriate and popular music! Discover your talent and style through energetic warm ups, fun movement games and working together as a team. I can't wait to see you on the dance floor!

Contemporary Dance

5:00-6:00 Grades: 4th – 8th $65 per student

Also taught by Ms. Suzie, Contemporary dance is a beautiful way to explore and express your emotions through movement. With technique based on the use of gravity and natural movement of the body, we will learn to tell stories through dance, explore our emotions and connect with ourselves and each other. We will even get the chance to create our own choreography! If you love to dance from your heart, I look forward to seeing you on the dance floor!

Thursday Class 5 Weeks: April 20, 27, May 4, 11, 18
